 <p>Sonia Chang-Diaz</p>	Former Senate Aide and urban public school teacher	While organizations and individuals inside the political establishment generally endorse incumbent legislators, I am proud to have the support of voters in every neighborhood of the 2nd Suffolk District.	Yes. As a board member of MassVOTE (currently on leave of absence) I am an active supporter of legislation that advances voter participation among our under-represented communities!	Yes. Protecting all citizens' right to vote is a fundamental responsibility of democratic government. Better training and hiring of poll workers are practical steps we must take to carry out this responsibility.	617-848-0875 www.soniachangdiaz.com

Massachusetts Teacher's Association 	No. I was an early supporter of same day registration. However, after witnessing firsthand the abuse of the voting process on the national level, I believe there is too much room for manipulation at the polls.	Yes. I have gone head to head on election day many times with poll workers untrained on everything from the responsibility to open polls on time to even requirements for casting a ballot in general elections.
