

# KNOW WHAT'S "FAKE NEWS"

HERE'S WHAT TO  
DO:

**1. Read full article NOT just the headline**

**2. Check if the source is reliable**

- **If the publisher is independent and free from influence**
- **Make sure the domain name is not unusual EX) .COM.CO**

**3. Verify with another source**

- **Make sure multiple sources have published it**

**4. Check that the date is current**

**THINK before you share!**
